

What is a Grab-N-Go?

Our Grab-N-Go Once-a-Week Unit Studies are the same great product with one major difference: each Grab-N-Go features educational internet links* that are not included in our paperback studies. With the aid of these links, students enjoy documentaries, maps, biographies, virtual tours, and an assortment of other educational resources which serve to further enhance their Once-a-Week Unit Study experience. Our Grab-N-Go studies also mean **greater savings** for you! Each Grab-N-Go costs \$5.00 less than our paperback editions and because shipping is eliminated you also save the flat rate shipping costs. That amounts to a total savings of \$10.00 on just one book!

When purchasing our Grab-N-Go studies, a receipt with links to your downloads will arrive in your inbox within minutes of placing your order. To insure your receipt/links arrive properly in your inbox and not in your spam folder, please add Homeschool Legacy [sharon@homeschoollegacy.com] to your address book.

*We encourage parents to always supervise their children whenever they are allowed to go online. Enlarging online assignments to full screen is highly suggested. The internet can be a wonderful thing when used wisely, but we must be diligent in protecting of our children from its dangers.
